VULCAN News

Vulcan Solutions Wins Gold

Following a successful qualification process, Vulcan Solutions has been awarded the prestigious Microsoft Gold Partner Certification for a third time.

This award is in recognition of Vulcan Solutions' high level of technological excellence, marketplace impact and satisfaction of customers through Microsoft products and services. This certification strengthens our engagement with Microsoft, increases the support available to us, and ultimately benefits all of our customers.

Through our partnership with Microsoft we have provided many high profile organisations across Ireland with customised software solutions built on the Microsoft .Net platform. Our technical team contains over ten Microsoft Certified Professionals (MCP's) each qualified in a wide range of specialisations:

- o **Customer Relationship Management (CRM)**
- o **Advanced Infrastructure Solutions**
- o **Networking Infrastructure Solutions**
- o **SOA & Business Processes**
- o **Data Management Solutions**
- o **Information Worker Solutions**
- o **ISV/Software Solutions**
- o **Microsoft Business Solutions**
- o **OEM Hardware Solutions**
- o **Security & Mobility Solutions**
- o **Custom Development Solutions**
- o **Business Intelligence**
